Having looked at the proposed development plans what are your thoughts on the proposed new road layout and the links onto it from Ballyreagh Road?

Are you happy with the open space provision?

Do you think the proposed improvements in the sewage infrastructure are important to local residents?

Are you happy with the proposed house types?

Having looked at the proposed development plans do you have any suggestions for improvements?

Do you believe there anything more that the developers can do to enhance the benefit to the local area?

Do you have any outstanding comments?
